90-Day-Package

DOCUFY® CAx QUALITY MANAGER

Faster and more cost-effective with better CAx data. Take advantage of our attractive package offer to evaluate potential savings in your company.

Ready for use after 2 days. We promise!

Your benefits

- 90 days of unrestricted company-wide use of all test routines and functions
- Competent advice on compliance with guidelines for design, manufacturing, assembly and procurement
- Development of workflow strategies based on years of experience with existing customers
- Evaluation of your savings potentials based on your processes, data and CAx/PLM system landscape

The implementation

- Form a project team consisting of your project manager and one of our experienced consultants
- Joint implementation of installation and basic customizing
- Meaningful system tests

Best-Practice Checks can be used immediately with full Integration into NX by Siemens Digital Industries Software.

Next steps

- Transformation of the temporary license into a permanent license with the purchase of the DOCUFY CAx Quality Manager
- Seamless continuation of work after 90 days
- Fast productivity of the DOCUFY CAx Quality Manager without additional consulting work

Our offer

- Installation and basic customizing (2PT)
- Telephone support and completion evaluation (1PT)
- 90 days of full license use
- Travel and ancillary costs

Fixed price: 2.950 €*

*valid for installations within Germany, Austria and Switzerland and excluding statutory VAT. We reserve the right to change prices.
