

Company Profile

DOCUFY develops high-quality software solutions for technical documentation, design, and service. From technology startups to global industrial groups - our more than 900 customers operate in the automotive industry, mechanical and plant engineering, medical technology, and the software sector. Over 130 employees have been contributing to DOCUFY's sustainable success with their expertise for over 25 years.

We offer consulting and development services for our software products in order to customize our standard solutions to the specific requirements of our customers. With the DOCUFY Suite, we have created solutions to tap into the potential of company-wide information and deliver it to specific users. From design to maintenance - throughout the entire product life cycle: Excellent Information. Everywhere.
